

April, 09

Dear Families,

We are very proud of our beautiful gardens. Through the years, second and fourth graders have planted the bulbs that you enjoyed this spring. Fourth graders will be planting annuals soon. We also continue to add perennials.

We depend on families to help keep our flowers and shrubs looking good all summer.

Please consider volunteering for a week to help weed and water as needed. About 50 families volunteered last year, and we would like to have even more this year.

Please return this form to the school office by **Friday, May 15th**.

Questions? Contact Kathy McNamara – Kathy.McNamara@saintwenceslaus.org

Thank you.
