MISSION STATEMENT

"The St. Wenceslaus School community is dedicated to providing a nurturing environment so that each individual's potential can be realized. We are life-long learners called to make a difference in our changing world, as we are shaped by our Catholic faith and challenged to embrace the Gospel."

Philosophy

We believe that the St. Wenceslaus School community is called together by God to provide a Christian education to the children entrusted into our care. Children are offered the opportunity to encounter God in their parents, pastor, school staff, fellow students, and parishioners, as well as in their faith, prayer, and worship experiences. We believe that a nurturing community is comprised of responsible individuals who share respect and concern for themselves and all others. We recognize that our strength as a community lies in our God-given individual differences. We value and celebrate our diversity of abilities and talents, learning styles, and cultures that influence our community.

We believe students learn best through active engagement with subject matter and the promotion of critical thinking skills. We provide educational opportunities for the whole child, supporting spiritual, intellectual, social, emotional, physical, and creative growth. We believe our children need these tools to make responsible decisions and to be good stewards in our ever-changing world.

We look at our world through the eyes of our Catholic faith. Our service to each other is one of dedication, love and involvement. To live and teach as Jesus did through word and action is the essence of this service. As we plant the seeds of discipleship, we bring ourselves and others closer to God.

**St. Wenceslaus School is fully accredited by the
Minnesota Non-Public School Accreditation Association.**

PHILOSOPHY OF DISCIPLINE

We believe the St. Wenceslaus School Community helps the student form proper habits and attitudes that encompass respect, obedience and courtesy. We believe the teachers; students and parents must share this responsibility of discipline in a spirit of love.

We believe in:

- ✦ Respect for each other and for all authority.
- ✦ Courtesy at all times and in all places.
- ✦ Respect for all people and their property.
- ✦ Value and realization of the importance of time.
- ✦ Neatness in all assignments.
- ✦ Unselfishness toward others.
- ✦ Proper safety habits.
- ✦ Sense of fair play and trustworthiness.

We believe that disciplinary measures should be taken when a student deliberately fails to comply with school and classroom regulations.

- Families with children already enrolled in the St. Wenceslaus K – 8 program
- Families already enrolled in Little Spirits Preschool
- Parishioner of St. Wenceslaus Parish
- Open to public on 1st come basis

It is the policy of St. Wenceslaus Little Spirits Preschool Program to accept boys and girls based on the following:

- Child has not reached the age of six years by September 1st of the enrollment year
- Child has special needs that, with provisions and approval of school administration can be met in our environment.

Capacity

Maximum enrollment for each class is 10 students to one teacher. Maximum enrollment for the preschool is 20 children per class. When maximum capacity is reached, a waiting list will be established. Additional classes will be added as demand allows.

Waiting List

Once a grade level reaches its determined size a Waiting List for that grade level will be established. When, and if, an opening should occur, families will be granted enrollment according to their rank on the Waiting List. Within the three-week designated registration period, priority on the Waiting List will be given to parishioners, and rank will be assigned by the length of time the family has been registered parishioners. Non-parishioners will then be ranked on the waiting list on a first come/first serve basis. Any registrations received after the initial three-week period of registration will be placed on the Waiting List in the order received. Families on any Waiting List must renew their desire for enrollment each year, during the announced Registration period. Usually this takes place at the end of February each year. The waiting list will dictate in all cases.

Back to School Night

An introductory meeting and classroom Open House will be hosted prior to school starting. This will be an opportunity for you to talk with the classroom teacher and bring your child's school supplies. You will also be asked to fill out a sheet listing any special concerns you have. You are encouraged to visit the classroom website <http://teacherweb.com/MN/StWenceslaus/preschool/> and or contact the teacher with any questions (via e-mail) prior to the open house. The first day of school will be a short parent-child session to help your child adjust and learn classroom routines.

Enrollment Documents

State law requires that each child who is enrolled must be in compliance with and have on file the following forms:

- Copy of Birth Certificate
- Enrollment Form
- Health Care Summary Form (signed by doctor)
- Emergency Contact
- Proof of Immunization Form
- Emergency Card
- Payment Plan

Your child will not be allowed to begin preschool until all forms are completed and turned in.

In addition to tuition all families are required to support our major fundraisers by volunteering their time and talents. If you have a child in both the K – 8 program and Little Spirits Preschool the Sweepstakes, Fish Fry and work requirement is fulfilled through your K- 8 obligations.

Payments

Contracted payments begin in July each year. One half of the total tuition bill must be paid by November 30th. There will be a penalty assessed to a family's tuition account after November 30th if one half of the bill has not been paid. This penalty will equal 5% of the tuition due (one half the tuition bill). This penalty may be waived if financial aid forms have been filled out, and there is a written tuition payment plan on file in the school office. All contracted tuition must be paid by April 15 of the current school year. Failure to do so may result in your child/children not being allowed to enter school for the following school year and past due charges will be assessed.

Past Due Tuition

Letters shall be sent to parents with past due tuition. There will be a penalty assessed to a family's tuition account on April 15th for any remaining tuition due. This penalty will equal 5% of any remaining amount of the tuition and fundraising assessment that has not been paid by April 15th. This penalty may be waived if financial aid forms have been filled out, and there is a written tuition payment plan on file in the school office. Personal contact shall be made to parents of past due accounts by March 1.

The tuition is the same every month regardless of the number of holidays in that month. If for some reason you cannot pay or your child will not be coming back to preschool, please notify the principal in writing

Withdrawal

Please notify the school office in writing if you plan to withdraw your child from the preschool program as soon as possible. It is important that we have time to fill vacancies from our waiting list. **All preschool payments must be paid in full through the end of the month of your child's last attendance day.**

DOME/SCRIP WORK AGREEMENT

Parents may participate in the Scrip program or work athletic and other events at the Dome and Twins Field to raise money for supporting their St. Wenceslaus School financial obligations.

- Funds will be applied to any outstanding balances in the family's tuition, fund-raising and lunch accounts. If the funds applied satisfy the outstanding financial obligation due at the time funds are received, the remaining balance can be applied to the family's other school related needs such as registration, fieldtrips, and supplies.
- When a family no longer has students enrolled at St. Wenceslaus School, any remaining balance in their individual account becomes a gift to our school to be used at the school's discretion. Families may recommend the balance be allocated to other existing school family accounts or to specific school operating needs.

The cost of rescue treatment and medical charges are the parent's responsibility.

BEHAVIOR PLAN AND DISCIPLINE

Little Spirits Preschool believes each child is responsible for his or her own behavior and for maintaining a Christian atmosphere within the school. The goal of our behavior code is to promote self-discipline. Respect for oneself, others, authority and property, and the maintenance of a safe and healthy environment in which to learn is at the heart of Little Spirits Preschool philosophy of discipline. Students are to behave in a manner that is morally responsible and brings credit to themselves, their families and St. Wenceslaus School. Parental support is an important part of the discipline policy. No child shall be discipline by shaming or physical punishment.

The following behavior guidance policies and procedures will be followed:

1. Problems will be prevented by providing varied activities, explaining changes, anticipating problems and providing a positive model of acceptable behavior.
2. Age-appropriate rules will be set and expectations will be explained ahead of time according to Christian principles.
3. Discipline methods used will be tailored to the individual child and will include redirection, ignoring misbehavior when possible, teaching acceptable alternative to problem behavior, using problem-solving techniques and setting contracts for appropriate behavior when appropriate.
4. When unacceptable behavior persists, developmentally appropriate discipline may be used. The child's behavior and staff responses to it will be documented in a daily log.
5. Corporal punishment, emotional abuse, withholding of food, light, warmth, clothing, medical care, and/or use of physical or mechanical restraints will not be permitted or tolerated. Children will not be separated from the group unless less intrusive behavior guidance methods have been tried unsuccessfully.
6. If a child is separated from the group, he or she will remain in an unenclosed part of the classroom within continuous sight and hearing of a staff member. The child's return to the group will be contingent upon and occur after the abatement of the unacceptable behavior that precipitated the separation. All separations will be noted on a daily log containing the child's name, staff person's name, time, date, less intrusive guidance methods first used, and how the child's behavior threatened the well-being of the child, group or staff member.
7. The teacher will meet with the parent to address behavioral concerns and develop an appropriate plan.
8. In accordance with Rule 3 of the Minnesota Interpretive Guidelines for Child Care Centers, Little Spirits Preschool will not tolerate "persistent unacceptable behavior" by a child attending school.

Persistent unacceptable behavior is defined as, but not limited to, actions knowingly committed by a child that cause physical and/or mental harm to another child or teacher.

Examples of Persistent Inappropriate Behavior

- Hitting, kicking, physical abuse, throwing objects towards staff or participants.
- Defiance of authority.
- Name-calling with the intent to cause hurt feelings.
- Abuse of equipment, supplies or facilities.

After observing and recording said behavior(s), Little Spirits Preschool may initiate the following procedure, or an appropriate procedure, in response to the persistent unacceptable behavior(s):

Consequence #1:

Staff members monitor and record prohibited behavior(s). After three or more recorded occurrences within one school day, the child will be sent home for the remainder of the day.

Consequence #2:

After it has been necessary to send home a child three times within a period of one month for reasons stated in the behavior plan, the child will be suspended from Little Spirits Preschool for three consecutive days.

Consequence #3:

If a child is sent home six or more times during the period of six months for reasons stated in the behavior plan, the child will be asked to leave Little Spirits Preschool permanently.

PARENT INVOLVEMENT

Mission – In partnership with parents, Little Spirits Preschool provides many opportunities for parent involvement and participation in the preschool experience. Parents are encouraged to share their time and talents for school projects and activities.

Parent Visits – Children benefit most from a school experience when home and school share common goals. Parents are encouraged to offer their services and talents for school projects and activities. We have an Open Door Policy, that is, parents are welcome and encouraged to visit the Little Spirits Preschool at anytime. Parents and other visitors dropping by will be subjected to the school policy for visitors:

It is the desire of all staff at St. Wenceslaus School to provide a safe environment for children to learn. Due to an increased need to provide security standards at our school, the following precautions will be practiced:

- All parents, visitors, and volunteers must report to the office before going to any classroom. At the office parents, visitors and volunteers will be given identification badges that must be worn at all times in the school building.
- Parents, visitors and volunteers will be required to sign in/out and to state the reason for being in the school building.
- Before being given permission to go to any classroom, the office assistant will alert the classroom teacher who is coming to their classroom and for what reason. Permission to go to the classroom will be denied if the teacher is not expecting the visitor.
- Staff will approach anyone without an identification badge, ask if they can be of assistance, and direct them to the office.

- Students will not be released directly to the parent/guardian from any classroom. The parent/guardian must report to the office and request their child(ren) be called to the office from the classroom by administrative personnel.
- Students will not be allowed to have friends, relatives, siblings, or others attend school classes with them. Under special circumstances, an exception may be made with prior arrangements made with the principal in consultation with the classroom teacher.

All volunteers are required to attend a:

- 1. Virtus safety training session**
- 2. Bureau of Criminal Apprehension Background Check**
- 3. The Department of Human Services check done as mandated by the Archdiocese of St. Paul & Minneapolis before working in the classroom with children or going on Field Trips with the class.**

MARATHON FOR NON-PUBLIC SCHOOLS

Non-public schools throughout Minnesota participate in this activity during the first week in October. Students earn pledges for their participation in community service projects and a walking marathon. Proceeds raised from the St. Wenceslaus School Marathon make up a substantial part of our operating budget.

The following schedule of events will be observed annually:

- First week of school - Kick-off Pep Fest (Time and location will be announced.)
- From Pep Fest to Marathon - Students raise pledges by soliciting sponsors.

Students will be informed about the Marathon and encouraged to participate in our Kick-Off celebration. Parent volunteers work with the Home & School Committee to plan and host this event. Families are invited to attend and participate.

On the same day of the Kick Off celebration, volunteers come to classrooms to further encourage student involvement. Students are advised of prizes they can earn for varying levels of pledges earned. Students are expected to raise pledges and bring proceeds and/or their pledge sheet to their

teacher before they will be given prizes earned. A minimum of \$50 per child raised in pledges is required of Preschool Families. Families who do not raise pledges to this level or who choose not to participate will be assessed.

Parents are encouraged to participate in the activities on Marathon Day. After the marathon, Home & School volunteers provide additional activities and entertainment to build school spirit.

ST. WENCESLAUS SCHOOL SWEEPSTAKES

A drawing for the cash Sweepstakes prizes will be held on an assigned date.

CHRISTMAS & SPRING PROGRAMS/CONCERTS

St. Wenceslaus School will hold several all-school programs and concerts throughout the year, one at Christmas and one in Spring. Band will also have a performance. These events will take place in the evening.

CATHOLIC SCHOOLS WEEK

Beginning on the last Saturday of January, Catholic Schools Week is a seven-day event in which we celebrate our school with other Catholic schools from throughout the nation. The opening celebration is kicked off at all masses over the weekend. Students, families, and faculty participate in each mass. Everyday throughout the week the Home & School supports activities for appreciating students and teachers. Our Student Council and teachers plan many activities for their students throughout the week, which may include a medallion hunt, dress-up days, and a spirited competition between staff and students.

FISH FRY

Two Fish Fry events are held annually for the purpose of building community spirit and to raise funds. These are usually held on Friday's during Lent.

DESCRIPTION OF FUNDRAISER:

In January, families will get an envelope from the Fish Fry Committee that contains a form requesting a specific work assignment and a ticket order form. All families are required to sell a pre-determined number of tickets to support the dinner. Many volunteers are needed to support this effort.

1. K – 8 families need to sell 10 tickets to the 1st scheduled fish fry.
2. Preschool families need to sell 5 tickets to the 1st scheduled fish fry.

LIVE AND SILENT AUCTION

In April, St. Wenceslaus School's Live and Silent Auction is annually held. This is a fun evening for adults from our parish and throughout the broader community to enjoy fun, food, entertainment, and an opportunity to support our school.

DESCRIPTION OF FUNDRAISER:

Throughout the school year, bulletin announcements will encourage sponsorship of the auction by giving of gifts or cash donations related to a specific genre. School families will be encouraged to supply items for a classroom theme basket. Students will complete projects to be sold in their art classes. A limited number of tickets will go on sale to the public beginning in the winter. Auction attendees will receive a booklet describing items to be sold before the event. Hundreds of auction items are available for silent bidding. The live auction will include twenty or fewer items. Many volunteers are needed to support this event.

GOLF TOURNAMENT

The golf tournament is an annual event that draws support from parents, parishioners, friends and alumni. Supporters of St. Wenceslaus School come together in the summer for a day of golf and fun. The tournament will be announced in the spring and you will have ample time to put together a foursome for the big day.

CONFERENCES AND COMMUNICATION

Regular and open communication between teacher and parent is expected and encouraged.

Three conferences are scheduled during the school year in the fall, winter and the spring. At each conference, parents will be provided with a written assessment that includes the child's intellectual, physical, social and emotional development.

Parents are asked to call the teacher if they wish to schedule additional conferences at any time during the school year.

Although we have an Open Door Policy, instructional time belongs to your children. Therefore, please do not attempt to conference with a teacher without an appointment. Teachers are not free for

unplanned conferences or conversations during the school day; they are usually occupied before and after school with class preparations and meetings. To ensure quality time with the teacher, it is always best to make an appointment.

NON-CUSTODIAL PARENT

St. Wenceslaus School recognizes the importance of having all parents involved in a child's learning environment. If your student does not reside with both parents, please inform the school office of your child's custody arrangement. If requested, the office will provide the parent with whom the student does not reside information regarding their child's progress and activities.

NON-DISCRIMINATION POLICY

It is the policy of St. Wenceslaus School to comply with state and federal laws prohibiting discrimination, to the end that no person(s) shall be denied or excluded from enrollment or participation in any education program or activity operated by the school on the basis of race, color, national or ethnic origin, gender, age marital status, status with regard to public assistance, or disability. (MN State Statute #7520.0350)

- Early releases – 2-hour early release, no PM class; 1-hour early release, PM class will be released one-hour early

A calendar will be given to each family at the start of the school year. In the event of inclement weather and early releases due to weather the school will initiate their General Broadcast notification system, please tune in to KCHK (95.5 FM or 1350 AM) radio or TV channels 4,5, 9, or 11. To alleviate confusion at unexpected early release times, we recommend that you consider signing up for and attending to weather alert email systems provided by area television stations.

Clothing

The preschool children should wear play clothes suitable for playing outside, painting, and doing other projects. Children should dress in appropriate clothes that will also allow them to be independent in using the restrooms. Due to safety reasons, **please dress your child in tennis shoes**. Flip-flops, thongs, heels without straps, wedge heels, or boots are not manageable in our classroom or Parish

Activity Center. Jackets or sweaters should also be brought in accordance with the weather. We will go outside in the winter, so please send boots, hats, mittens, snow pants, and other appropriate winter wear with your child. Please label all clothing.

Field Trips

If we are attending a field trip, a few guidelines must be met:

- The written consent of parents and/or legal guardians must be obtained for every student participating in field trips.
- A permission slip must be signed and filed prior to departure.
- Permission via phone is not acceptable.
- Field trips are a privilege and students can be denied participation if they fail to meet behavior requirements.
- Volunteers are welcome! All volunteers must submit to mandatory Virtus training and background checks.

Firearms – The Church of St. Wenceslaus and Little Spirits Preschool ban firearms from the premises.

CRISIS MANAGEMENT

St. Wenceslaus School has a Crisis Management Policy and Plan to act as a guide for school employees and students. It is designed to address a wide range of potential crisis situations St. Wenceslaus School may face. The step-by-step procedures suggested by this plan provide guidance to coordinate protective actions prior to, during and after any type of emergency or potential crisis situation in St. Wenceslaus School. A complete copy of the Policy and Plan are available for review in the school office.

EMERGENCY EVACUATION

In the event that the school needs to be evacuated for safety reasons, our primary relocation site is Queen of Peace Hospital, with City Hall being our secondary site. Parents will be advised specifically where students can be picked up via all major television stations and through WCCO and KCHK radio stations. Parents, guardians or designated emergency contacts will need to show proper identification to school administrative personnel supervising student release.

Research or Public Relations Activity

If we are going to be conducting research or a public relations activity, written parental permission will be solicited for each circumstance. If written permission is not received, the child will not be part of the research or public relations activity. An example of a research practice is when a teacher is gathering data for the purpose of gaining additional information about best teaching practices.

Tobacco and Alcohol

The St. Wenceslaus Parish Campus is tobacco free in all its building, on its grounds and parking lots at all times. No tobacco products or alcoholic beverages shall be allowed at any school-sponsored event when students/children are present.

Volunteers

The Archdiocese of St. Paul and Minneapolis requires that all volunteers participate in mandatory volunteer training. This includes Virtus training, Background checks and signing appropriate waivers.

Reporting Child Abuse and Neglect

Policy

Minnesota State Law mandates reporting of child abuse or neglect. The law states that all professional people are obligated under the law to report to local welfare, police, or county sheriff if they have reason to suspect a child is being neglected or physically or sexually abused. Little Spirits Preschool will comply with all state mandates application to reporting neglect and/or abuse.

Who should report child abuse and neglect:

- Any person may voluntarily report abuse or neglect.
- If you work with children in an educational facility, you are legally required or mandated to report and cannot shift the responsibility of reporting to your supervisor or to anyone else at your licensed facility. If you know or have reason to believe a child is being or has been neglected or physically or sexually abused within the preceding three years you must immediately (within 24 hours) make a report to an outside agency.

Where to report:

- If you know or suspect a child is in immediate danger, call 911.
- All reports concerning suspected abuse or neglect of children occurring in a licensed facility should be made to the Department of Human Services, Licensing Division's Maltreatment Intake line at (651) 297-4123.
- Reports regarding incidents of suspected abuse or neglect of children occurring within a family or in the community should be made to the local county social services agency or law enforcement agency: Scott County – (952) 445-7751; LeSueur County – (507) 357-8288; Local Law Enforcement - (952) 758-1411
- If your report does not involve possible abuse or neglect but does involve possible violations of Minnesota Statutes or Rules that govern the facility, you should call the Department of Human Services, Licensing Division at (651) 296-3971.

What to report:

- Definitions of maltreatment are contained in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556) and should be attached to this policy.
- A report to any of the above agencies should contain enough information to identify the child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of the maltreatment and/or possible licensing violations. For reports concerning suspected abuse or neglect occurring within a licensed facility, the report should include any actions taken by the facility in response to the incident.
- An oral report of suspected abuse or neglect made to one of the above agencies by a mandated reporter must be followed by a written report to the same agency within 72 hours, exclusive of weekends and holidays.

Retaliation Prohibited

An employer of any mandated reporter shall not retaliate against the mandated reporter of reports made in good faith or against a child with respect to whom the report is made. The Reporting of

Maltreatment to Minors Act contains specific provisions regarding civil actions that can be initiated by mandated reporters who believe that retaliation has occurred.

Failure to Report

A mandated reporter who knows or has reason to believe a child is or has been neglected or physically or sexually abused and fails to report is guilty of a misdemeanor. In addition, a mandated reporter who fails to report maltreatment that is found to be serious or recurring maltreatment may be disqualified from employment in positions allowing direct contact with persons receiving services from programs licensed by the Department of Human Services and by the Minnesota Department of Health, and unlicensed Personal Care Provider Organizations.

The reporting policies and procedures must be provided to parents of all children at the time of enrollment in the child care program and must be made available upon request. The Division of Licensing recommends that parents with children currently enrolled in your child care program are informed of the development of the reporting policies and procedures, and provide them with an opportunity to request the information.

Internal review

When the facility has reason to know that an internal or external report of alleged or suspected maltreatment has been made, the facility must complete an internal review and take corrective action, if necessary, to protect the health and safety of children in care. The internal review must include an evaluation of whether:

- i. Related policies and procedures were followed.
- ii. The policies and procedures were adequate.
- iii. There is a need for additional staff training.
- iv. The reported event is similar to past events with the children or the services involved.
- v. There is a need for corrective action by the license holder to protect the health and safety of children in care.

Primary and secondary person or position to ensure internal reviews are completed

The internal review will be completed by Jodi Chromy (name or position). If this individual is involved in the alleged or suspected maltreatment, Kim Doyle (name or position) will be responsible for completing the internal review.

Documentation of the internal review

The facility must document completion of the internal review and provide documentation of the review to the commissioner upon the commissioner's request.

Corrective action plan

Based on the results of the internal review, the license holder must develop, document, and implement a corrective action plan designed to correct current lapses and prevent future lapses in performance by individuals or the license holder, if any.

Staff training

The license holder must provide training to all staff related to the mandated reporting responsibilities as specified in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, Section 626.556). The license holder must document the provision of this training in individual personnel records, monitor implementation by staff, and ensure that the policy is readily accessible to staff, as specified under Minnesota Statutes, Section 245A.04, subdivision 14.

The mandated reporting policy must be provided to parents of all children at the time of enrollment in the child care program and must be made available upon request.

SAINT WENCESLAUS CONCILIATION POLICY

4. The non-teaching school staff for information; and
5. The parents for information and is to be included in the parent/student handbook.

STAGE I

STAGE III

1. The request to begin the next stage of the local conciliation procedure must be made **in writing** by the person seeking relief to the school administrator, pastor or canonical administrator based upon examples I-IV outlined in STAGE II. This must be done **within 10 working days** after conferring with the last level of administration (pastor or canonical administrator.)
2. The **local conciliation committee** will be made up of three persons: one designated by the pastor; one designated by the respondent; and one designated by the person seeking resolution.
3. The local conciliation committee will meet in a time period **not to exceed 15 working days** of being formed to receive evidence and make recommendations. The committee shall have the discretion to determine whether evidence shall be written, oral or both.
4. At the conclusion of the meeting, and upon due consideration (discussion, thought and prayer), the committee will write a summary of the meeting. In this summary, the committee **will make recommendations in writing** to the administrator (or pastor, as appropriate) who, in turn, will determine that no parish and/or school policies have been altered or amended by the recommendations. The written recommendations will then be forwarded to all concerned parties.
